---

**POLICY**

The College will not accept student transfers nor provide advanced standing to students admitted to its Doctor of Osteopathic Medicine degree program. The College will not allow transferability between its parent campus and its additional location(s).

**RESPONSIBLE OFFICIAL(S):**

Head of Enrollment Services

**PROCEDURES:**

1. Any candidate for admission seeking to transfer from another institution or requesting advanced standing at the College shall be informed of this policy.
2. The College shall assure that this policy is publicly stated in the College Catalog.
