A screenshot of the ELMSelect website. The header is dark blue with the ELMSELECT logo and a "Common Questions" link. Below is a green banner with the text "Your Online Tool for School Lender Comparison". The main content area is white and features a search bar with "Burrell College of Osteopathic" entered and a "Select Program" dropdown menu. Below the search bar is a disclaimer: "By searching on this site you agree to the terms of the ELMSelect User Agreement. This site is powered by ELM Resources." A central image shows five diverse students gathered around a laptop, looking at the screen. Below the image are three white boxes with blue headers: "Compare Your Way" (listing Fixed vs Variable Rates, Total Costs and Fees, Number of Payments, and Payment Amounts), "What is ELMSelect?" (describing the tool as a truly neutral lender and product comparison tool), and "Help Us Improve" (inviting comments to info@elmselect.com).

BCOM has 3 programs (categories) that a student can select to review. Students should review all relevant categories for best selection options:

1. Osteopathic Medical Student
2. Health Professional
3. International Student

There are tools to help a student find the most competitive benefits, interest rates and repayment options.

With the **Loan Estimator**, a borrower can estimate monthly payments based on amount of loan borrowed, a sample annual percentage rate (interest rate) and length of the loan terms.
