Course Top 10% List:
   1. After determination of final grades in a course, the students will be ranked from highest to lowest on a grade spreadsheet. The top 10% (typically the top 16 students out of approximately 160) will be identified and designated as “Honors”.
   2. If more than one student has the same grade as the 16th ranked student, each student with the same grade as the 16th ranked student will be included in the top 10%.
   3. The Office of Pre-Clinical Education will create a letter for each student performing in the Top 10% of the course. (A copy of this unsigned letter will be archived in the Office of Pre-Clinical Education.)
   4. The Course Director will sign the letters, after which the letters will be forwarded to the Office of the Registrar.
   5. BCOM’s Registrar will send notification to the student to check their CAMS Student Portal for the letter.
   6. A copy of the signed Honors letter(s) will be retained and archived by the Office of the Registrar, and in the Office of Student Affairs.

   1. At the end of an academic term, the Honors Lists for each course in that term will be analyzed by the Office of Pre-Clinical Education.
   2. Any student who has received an Honors Letter in ALL courses in the corresponding fall or spring term, will be placed on the “Dean’s List” for that term.
3. A letter of recognition will be generated by the Office of Pre-Clinical Education and signed by the Dean/CAO. (A copy of this unsigned letter will be archived in the Office of Pre-Clinical Education.)
