1. Purpose
This SOP outlines and defines the process by which students in the pre-clinical years (years 1 and 2) may request excused absences. Students may be excused from mandatory attendance activities for compelling reasons. This decision will be at the discretion of the Executive Director of Student Affairs or their designee.

2. Related Policy/Authority
This SOP references the policy on attendance, as stated in the Student Handbook:

3. Faculty/Staff Responsibilities
Responsibility for the approval of excused absences for students in Years 1 and 2 will rest with the Office of Student Affairs, in consultation with the Course Director of the course(s) for which the excused absence is being requested.

Responsibility for the receipt of excused absence requests for students in Years 1 and 2, and forwarding those requests to the appropriate individuals, will lie with the Office of Student Affairs.

4. Definitions/Abbreviations
Excused absence – the permission granted to a student to be absent from a required attendance event, such as a required laboratory session or exam. (See the Policy document and/or the Student Handbook document cited above).

5. Procedural Steps
The procedures for requesting, review of requests, and decision on requests is outlined below:

1. Whenever possible, an excused absence request must be submitted in advance of the activity for which excusal is being requested.

2. Student submission of an excused absence request.
   2.1 Students are directed to the on-line link to the Excused Absence Request form.
      2.1.1 The form is currently available at:
          https://bcomnm.org/students/student-forms/
      2.1.2 The student must complete the form, and attach any relevant and/or required documentation.
   2.2 Upon completing the form, the student will submit the request by clicking on the submit button at the bottom of the form.
      2.2.1 The request must describe in sufficient detail the rationale behind the request, and must include any relevant supporting documentation, to allow an informed decision to be made.
2.2.2 Appropriate documents may be submitted subsequent to the initial filing of the request, but must be provided before a final decision will be made.

2.3 The Office of Student Affairs will receive the request and supporting documents, through the studentaffairs@bcomnm.org e-mail.

2.4 The final determination of approval or denial of the request will be made by the Office of Student Affairs.

2.5 Upon approval of a request, the Office of Student Affairs will communicate with the course director of any affected course(s).

2.5.1 The student will be notified of the decision on the excused absence request by the Office of Student Affairs.

2.5.1.1 If the request is approved, the Office of Student Affairs will create a calendar appointment on the Excused Absence Calendar to document the date of the student absence, and make the information available to necessary parties (Testing Center, Associate and Assistant Deans, etc.).

2.5.1.2 If the request is denied, the student will be notified by the Office of Student Affairs. Any appeal of the decision may be addressed to the Executive Director of Student Affairs and/or to the Dean.

2.5.2 For approved requests, the requirement to make-up any missed graded event will be determined by the Course Director, in consultation with the Office of Pre-Clinical Education. If a make-up of missed activity is necessary, the student will be notified by the Course Director.

2.5.2.1 If it is determined that a graded event will not require a make-up opportunity, the grade value of the event will be deleted from the excused student’s grade calculation. (e.g. an excused absence for a 5 point quiz, might result in the reduction of the total possible points of the student by 5 points.)

2.6 Absence from a graded, mandatory session or event for any unexpected or urgent/emergent matter (e.g. sudden illness, auto accident) will follow the process outlined above, but will require submission of a completed absence request as soon as possible, and no later than the first date of return to the College.

2.6.1 The request must describe in sufficient detail the rationale behind the request, and must include any relevant supporting documentation, to allow an informed decision to be made.

2.7 Submission of a request should not cause the requestor to presume that the request will be approved. Rather, the decision to approve or deny the request will be made under the same guidelines as described in section 2, above.

2.8 Whenever possible, an excused absence request must be submitted in advance of the activity for which excusal is being requested.

3 Submitting a request on behalf of a student

3.1 There may be circumstances wherein an excused absence request will need to be submitted by the College on the student’s behalf.

3.2 Under these circumstances, the Office of Student Affairs will fulfill steps 2.1 and 2.2 above to accommodate the student’s need.
4 Related to COVID-19

4.1 Some activities, including labs and exams, will require a student’s temperature to be taken to allow participation in said activity. If a student’s temperature reading is 100.4°F or above, the institution will prohibit a student from accessing the campus for any activity, including required labs. (See the standard operating procedure on Testing and Temperature Taking https://bcomnm.org/GA009/)

4.2 In the event a student is unable to participate in an activity due to a temperature reading of 100.4°F or above, the Office of Student Affairs will provide the student with an excused absence for all required in-person curricular activity for a minimum of 24 hours. The length of excused absence will vary on a case-by-case basis. The Office of Student Affairs will notify the Course Director(s) of all affected courses. Any make-up of required activity will be handled according to 2.6.5 above.

4.3 Resuming access to the campus

4.3.1 In order to resume access to the campus, the student must:

4.3.1.1 Be fever free for the previous 24 hours

4.3.1.2 Submit a note from their primary care provider clearing them to return. The note must be submitted to the Office of Student Affairs.

4.3.2 Once a student is cleared to resume in-person activity, the Office of Student Affairs will notify the Course Director.

4.4 In the event a student tests positive for COVID-19, the Exposure Containment Plan (SOP GA.007) should be followed.

6. Reports/Charts/Forms/Attachments/Cross References

The Excused Absence Request form for students is found at the following link: https://bcomnm.org/students/student-forms/

7. Maintenance

This policy will be reviewed as necessary, with a review occurring at no more than three (3) year since the most recent review.
