

RESEARCH UPDATE

A WEEKLY COMMUNICATION FROM THE OFFICE OF RESEARCH & SPONSORED PROGRAMS

VOLUME 2: NUMBER 10

March 12, 2021

GENERAL INFORMATION

- **March Distinguished Researcher Seminar Series to Focus on Vaccine Development**
 - Norbert Pardi, Ph.D. from the University of Pennsylvania will be speaking on the Development of Nucleoside-Modified mRNA Vaccines at the March DRS Seminar. The Seminar is Monday, March 15 from 12:00 – 1:00 p.m. The Seminar can be accessed through via this [Zoom link](#).
The Department of Biomedical Science is hosting this seminar guest.
- **New Research Office Ordering Process**
 - Effective Monday March 15, 2021 the process for submitting orders for processing by the Office of Research is changing to an online process. The new process will streamline workflow and facilitate order processing. Detailed information along with access the online ordering form is available on the Office of Research website under the [ORSP Order Request](#) tab.
- **Finance Office Announces Dates for Year End Ordering**
 - The year-end schedule for submission of purchasing requests has been made available by the Controller, Renee Huber-Landrum. [Please review the following dates and plan accordingly for your research related purchases.](#)
 - April 1, 2021: Last Day to Place International Orders
 - June 4, 2021: Last Day to Submit Purchase Requisitions for Domestic Orders
 - June 8, 2021: Last Day that Finance will generate Purchase Orders
 - June 29, 2021: Last Day for Receiving and Expense Reimbursements
 - July 19, 2021: Purchase requisitions resume in workflow
- **Conflict of Interest**
 - ORSP wishes to remind all researchers to submit an updated Conflict of Interest Disclosure if there have been changes since your last submission. [Burrell College Policy B1041](#)
- **Intellectual Property Policy**
 - [Burrell College Policy B8500](#) provides guidance in defining ownership, protection, and transfer of intellectual property. Please contact Dr. Benoit if you have questions regarding Intellectual Property related to your research or creative scholarship.
- **Research Training Requirements**
 - The [ORSP Training Requirements and Information](#) website has been updated to assist researchers with identifying requisite training courses and CITI modules. Principal Investigators are responsible of ensuring that all researchers on their respective projects are up to date on their training. A new [Training Course Selection Guide](#) is available to assist with identifying training requirements.

- ***Don't Forget to Submit IRB and IBC Protocols for Review***
 - Summer Research will soon be here. We wish to remind all Principal Investigators to submit your protocols for research involving human subjects to the IRB and/or biohazardous agents to the IBC in order to avoid possible delays in beginning your research. For existing protocols, please remember to inform the respective committee of any additions to your research team.
 - The IBC will meet once prior to the start of the Summer Research Experience. **The deadline for submitting your IBC application is April 5th in order to be reviewed at the April IBC meeting.** For existing protocols, please remember to inform the respective committee of any additions to your research team.
 - The IRB meets monthly. **The deadline for submitting your IRB application is March 15th in order to be reviewed at the March IRB meeting.**
- ***Face to Face Human Subjects Research Resumes***
 - The Office of Research has accepted the IRB guidance on resuming Human Subjects Research. A new SOP providing guidance to researchers will go into effect on Monday, March 15, 2021 with the Human Physiology Laboratory reopening on April 5, 2021.
- ***Faculty/Staff Scholarly Activity Reporting***

We are compiling a complete list of all scholarly activities for the 2019-2020 Academic year, as part of the reporting requirements of the Office of Research & Sponsored Programs. *The period covered by this report is July 1, 2019 to June 30, 2020.*

The following information is needed to complete this questionnaire:

 - Citations for publications between July 1, 2019 and June 30, 2020.
 - Citations for poster and oral presentations between July 1, 2019 and June 30, 2020.
 - Information on grants submitted and/or received between July 1, 2019 and June 30, 2020.

MEDICAL STUDENT RESEARCH

- ***Distinction in Research Application Deadline***

This is our final reminder that the Office of Research and Sponsored Programs is seeking student applications for the 2021 Distinction in Research. Online applications are available through the [Distinction in Research webpage](#) and must be received no later than March 15th, 2021. For additional information, please visit the [Medical Student Research website](#), or contact Dr. Ontiveros or the Office of Research.
- ***Student Research Reporting Policy***

To ensure that student research is conducted in compliance with institutional policies and applicable regulations, all students are required to inform the Office of Research and Sponsored Programs of their research plans before **beginning a research project, submitting an abstract to a conference, or submitting a manuscript for publication.** Informing our office involves the completion of an online form that is available through the [Medical Student Research – Starting Your Research web page](#). For more information, please visit the [Medical Student Research website](#), or contact Dr. Ontiveros or the Office of Research.
- ***Loma Linda University 2021 NMPRA Western Regional Conference Poster Competition Call for Abstracts***
 - The Loma Linda University Combined Internal Medicine/Pediatrics Residency Program is calling for submissions to the conference entitled, "Putting the Med Ed into Med Peds" which will occur virtually on **Sunday, April 18, 2021 from 9:45am-2:45pm.** The deadline for abstract submission is **March 22, 2021.** If interested, please [register](#) for the conference and email abstracts to llumedpeds@gmail.com.

- **2019 Medical Student Research Day Speaker Confirmed**

- We are pleased to announce our keynote speaker for the 4th annual medical student research day. Andrea Amalfitano, Ph.D., D.O., Dean of the Michigan State University College of Osteopathic Medicine, is an expert in the field of gene transfer vectors for vaccine applications and has a longstanding commitment to the advancement of osteopathic education. Dr. Amalfitano will be joining us on July 15, 2021 to participate in Medical Student Research Day activities and present a lecture on his research.

Jonathan Kreger, OMS-II
SGA Director of Medical Research

- **New Student Research Reporting Policy**

On February 2, 2021 students were notified of a change in the [Student Handbook Section on Research & Scholarly Activity](#). The essence of this new policy centers on students informing the Office of Research & Sponsored Programs of research plans and activities in advance of beginning a research project, submitting an abstract to a conference, or submitting a communication for publication. The reporting involves completion of a short online form to ORSP to ensure that the research is conducted in compliance with institutional policies, as well as any applicable regulations that the College has a responsibility to comply with. Please feel free to [contact us](#) with any questions that you may have regarding this new policy and associated procedures. Additional information and access to the online forms are available on the [ORSP Medical Student Research Starting Your Research](#) web page or Dr. Ontiveros.

- **Student Research Support Fund**

- In support of Burrell College medical student research and creative scholarship endeavors, the Office of Research and Sponsored Programs (ORSP) is pleased to announce the new 2020-2021 Student Research Support Fund and invites student researchers to submit an application. This funding opportunity provides Burrell College medical students with limited funds to support their research and creative scholarship. Applications are available on the [program website](#).

- **Distinction in Research**

- The Office of Research and Sponsored Programs (ORSP) is pleased to announce the [Distinction in Research](#) that will begin accepting applications on **January 15, 2021**. The Distinction is a highly intensive and optional path that provides opportunities for medical students who seek higher levels of mentored research experiences.

RESEARCH LABORATORIES

- **Research Laboratories Services Requests**

Laboratory investigators, do you need to run a gel, split/feed cells, or conduct and ELISA and don't have a lot of time to spend at the Research Labs? We can help! The Office of Research can provide Laboratory Services in support of your research endeavors. All you need to do is submit a request for Laboratory Services support, which includes specific information on when and what you need accomplished. All requests must include a detailed technical protocol. Please review the [Research Laboratories Services Request SOP](#) and contact Kalli Martinez or Dr. Woods with any questions about how we can best support you.

[CLICK HERE TO SUBMIT A REQUEST](#)

- **Bio-Rad BioPlex 200 Installed in Research Laboratories**

The Bio-Rad BioPlex 200 instrument has been installed in the BioScience Research Laboratory. Kalli Martinez will receive training from the vendor on instrument maintenance and operation and will be available to assist investigators with accessing this new capability. Please contact Dr. Woods or Ms. Kalli Martinez if you have any questions about BioPlex multiplexed immunoassays.

- **Research Laboratory Access**

- We wish to remind laboratory users to contact [Ms. Kalli Martinez](#) before visiting the Research Laboratories. We continue to operate at a reduced capacity and it is important that we maintain awareness of laboratory user access.

- **Human Physiology Laboratory**
 - The IRB and Office of Research are working with Principal Investigators towards a plan for resuming face to face human subjects research in the Human Physiology Laboratory. Each project is being considered on a project-by-project basis from a risk/benefit perspective by the IRB based on information provided by the principal investigators. Assessment of risks and benefits includes those imposed to both subjects and investigators during the current COVID-19 pandemic. Contact the [IRB](#) or [Research Office](#) for more information.

DATES AND DEADLINES

- Institutional Review Board (IRB) – March 26, 2021; 12:00 – 1:30 p.m.
 - Last day to submit materials for this meeting: March 15, 2021
 - Email: IRB@bcomnm.org
- Institutional Biosafety Committee (IBC) – April 14, 2021, 12:00-1:00 p.m.
 - Last day to submit materials for this meeting: April 5, 2021
 - Email: Research@bcomnm.org
 - The Institutional Biosafety Committee voted to move to a schedule of 4 meetings per year at their last meeting. The 2021 IBC meetings will be on March 10, April 14, July 14 and November 10. Principal Investigators needing approval for Summer Research should submit protocols for either March or April review. For more information contact Dr. Woods or the Office of Research.
- Research Advisory Council (RAC) – February 19, 2021, 1:00 - 3:00 p.m.
- [Distinguished Researcher Seminar Series](#)
- The Distinguished Researcher Seminar Series will continue as an online series through the Spring Semester.
 - March 15, 2021: 12:00 – 1:00 p.m.
 - Development of Nucleoside-Modified mRNA Vaccines. Norbert Pardi, Ph.D., Research Assistant Professor of Medicine, University of Pennsylvania.
Invited and Hosted by Department of Biomedical Science
 - April 1, 2021: Medical Student Body will host the speaker.

POLICY & REGULATORY UPDATE

- **Burrell College New or Updated Policies and Procedures**
 - The Biosafety Manual has been updated after undergoing IBC review and is available on the Burrell College website. A minor modification has been made to the Blood-borne Pathogen Exposure Control Plan and we are still finalizing an SOP to inform the process by which Burrell Investigators can document Hepatitis B vaccination.
 - [Biological Safety Manual](#)

FUNDING OPPORTUNITIES, MEETINGS, and NOTICES

- **AACOM Osteopathic Health Policy Fellowship**
 - The [Osteopathic Health Policy Fellowship \(OHPF\)](#) is a year-long leadership training program designed to help osteopathic physicians and other associated health professionals develop the skills they need to analyze, formulate, and implement health policy on the local, state, and national levels. The OHPF is primarily sponsored by AACOM. The program is designed for practicing or teaching osteopathic physicians and other individuals with an established connection to the osteopathic profession. OHPF Alumni include non-physician COM faculty and administrators, physician assistants, state osteopathic association and foundation directors, and hospital administrators. **The Application Deadline is March 31, 2021.**
- [NIH Weekly Funding Opportunities and Notices](#) – March 5, 2021
- American Osteopathic Association
 - [AOA Research Grants](#) for DOs, MDs, and PhDs
 - [Research Opportunities](#) for resident physicians, fellows and osteopathic medical students
- [Wells Fargo Philanthropic Services](#) (Search for Opportunities)
- [Experimental Biology 2021](#) will be held April 27-30, 2021 as a virtual meeting.
- [AACOM Educating Leaders 2021](#) will be held April 20-22 as a virtual event.
 - [Registration is Open!](#) Regular registration is \$395 and registration for students/interns/residents is \$225.

CLINICAL TRIALS INFORMATION

• *Clinical Trials Information*

[TrialSite News](#) is a digital media resource dedicated to transparent and open coverage of clinical research trial sites around the globe.

Regeneron is looking for clinical partners in the region to expand ongoing research on monoclonal antibody therapy. Physicians should contact [Dr. Benoit](#) for more information.

INFORMATION FOR AUTHORS

• *Case Report Guidance*

- Many of you have informed us of your intent to publish a case report. Please consult our [Case Report Publication Guidance](#) for additional information as you prepare your manuscripts for submission. While IRB approval is generally not required for Case Reports, the College expects that authors have secured permission for medical record access and follow all applicable regulations, policies and procedures. Please feel free to contact the [Office of Research](#) if you need additional guidance.

• *Information on Publishing Venues*

- The Office of Research and the Burrell College Health Sciences Library are available to assist with any questions that you may have regarding appropriate places to publish your research.

• [Cureus Journal of Medical Sciences](#)

- Cureus is an open access peer reviewed medical journal based in San Francisco, CA that offers free publication for articles that follow their author instructions.

• **Journal of Osteopathic Medicine**

- The Journal of the American Osteopathic Association (JAOA) is now the Journal of Osteopathic Medicine (JOM).

• [Call for COVID-19 Research Papers](#): The JAOA editors invite researchers to share information and data about their experiences with COVID-19 with the osteopathic community.

- Are you interested in publishing a literature review? The Journal of the American Osteopathic Association has created a video that provides tips for putting together a quality [Systematic Literature Review](#)
