

INSTITUTIONAL DATA AND OUTCOMES

The National Board of Osteopathic Medical Examiners (NBOME) administers the Comprehensive Osteopathic Medical Licensing Examination (COMLEX-USA®) that consists of three levels: Levels 1, 2 CE (cognitive evaluation), 2 PE (physical examination), and 3. The purpose of the COMLEX-USA® board examination series is to assess the osteopathic medical knowledge and clinical skills essential for practice as an osteopathic physician. Passage of the Level 1 and Level 2 CE and PE exams is a requirement for graduation.

Information regarding the College's first-time pass rates for the COMLEX-USA® exam as well as admissions and enrollment data, retention and completion rates, financial aid data, and demographic data of faculty and staff is available on our website at:
