

## **OUR MISSION**

*Para la gente y el futuro:* For the people and the future, the Burrell College of Osteopathic Medicine at New Mexico State University is dedicated to improving the health of the Southwestern United States and its border with Northern Mexico through culturally respectful undergraduate, graduate and continuing osteopathic medical education, research, and its support of clinical service to the community.

The College is focused on increasing diversity in the physician workforce and fostering a practice of lifelong learning, compassion, respect, and excellence in its students.

## **OUR VISION**

The Burrell College of Osteopathic Medicine will be regionally and nationally recognized for significantly impacting the physician workforce needs of the Southwest and access to quality medical services. The College will be a leader in increasing workforce diversity, particularly among Native American and Hispanic populations.

## **PROGRAMMATIC LEVEL EDUCATIONAL OBJECTIVES**

Objective I: Integrate knowledge and skills acquired from the biomedical, clinical, social, and behavioral sciences to provide patient care in a supervised setting.

Objective II: Demonstrate competence in the skills of osteopathic manipulative treatment and the application of osteopathic philosophy in patient care.

Objective III: Demonstrate professionalism, characterized by honesty, integrity, ethical behavior, empathy, and responsibility.

Objective IV: Communicate effectively with patients, families, faculty, peers, and other members of the healthcare team.

Objective V: Critically appraise, evaluate, and apply scientific evidence to inform patient care and research.

Objective VI: Demonstrate awareness of the roles and interactions of professionals within the healthcare system and identify resources to optimize patient care at the individual and community levels.

Objective VII: Identify the specific healthcare needs of diverse populations and the ways in which the medical community responds.
