

Burrell College of Osteopathic Medicine Student Handbook 2021-2022 Physical Health Services

Student Health Insurance

All students are required to maintain active, continuous health insurance coverage while enrolled in the DO curriculum. For this purpose, the Office of Student Affairs provides a list of insurance options to students and verifies active coverage at the beginning of each term.

Physical Health Services

Routine physical health services are provided for Burrell College of Osteopathic Medicine students at the NMSU Health and Wellness Center. The NMSU Health and Wellness Center is an outpatient ambulatory health care center offering services in acute medical care, women's health, immunizations, and health education. The NMSU Health and Wellness Center is located on the NMSU campus at 3080 Breland Dr., Las Cruces, NM. The main entrance is located on the North East corner of the building (corner of McFie and Breland across the street from Zuhl Library).

The clinic encourages appointments but accepts urgent care walk-in patients. For current operating hours and additional information on provided services please see the NMSU *Health and Wellness* website at:

<http://wellness.nmsu.edu/>
(575) 646-1512

Timely Telehealth

On behalf of its students, the College subscribes to Timely Care Telehealth, a student assistance program that gives students confidential access to a full range of physical telehealth services including:

- Medical: Scheduled or on-demand access treat a wide range of common illnesses like cold and flu, sinus infection, allergies, etc.
- Health Coaching: Scheduled access to address topics like healthy body image/lifestyle, sleep issues, etc.

The TimelyCare Telehealth app can be accessed on the Apple App Store and Android Google Play by searching for "TimelyCare" as one word.

Health Care at Remote Hubs

Students have access to physical health services at all rotation hubs. *Timely Telehealth* may be accessed from any location at any time. For more information, please visit the Office of Student Affairs website:

Providers who establish a patient care relationship with a student may not render an academic assessment of that student at a later date. It is the student's responsibility to notify the Clinical Education Office or their hub coordinator if they are inadvertently assigned to a provider who has participated in their health care.
