

Safety Training Requirements for Research

This matrix outlines the minimum training requirements for participating in research activities or working in a laboratory setting.

Are you...	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
faculty or preceptor involved in research at Burrell?	•	•	•												
a Burrell Staff (administrator and non-administrator role)		•	•	•											
a student or resident involved in research at Burrell?					•	•	•								
a visiting scientist involved in research at Burrell? (TBD)															
a Non-Burrell investigator or key personnel who is collaborating with Burrell investigators	•	•	•												
Are you a Burrell faculty, preceptor, staff, student or visitor who...	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
will conduct human subject research related to social science, behavioral or educational research [◇]								•							
will conduct human subject research related to community or population health [◇]									•						
will conduct human subject research related to biomedical research [◇]										•					
will work in the Human Physiology Lab (HPL)										•	•			•	
will work in the BSL2 BioScience Research Lab (BSRL)												•	•	•	•
will work in the Computer Laboratory (CL) and general access areas, only															

[◇]Determined by the IRB

Key	Training	Frequency	Format	Source
1	Faculty & Student Advisors RCR (ID: 118097)	4 years	Online	CITI
2	Faculty COI (ID: 118100)	4 years	Online	CITI
3	Research Faculty/Staff IPS (ID: 118093)	2 years	Online	CITI
4	Research Staff RCR (ID: 118099)	4 years	Online	CITI
5	Students & Trainees RCR (ID: 118098)	4 years	Online	CITI
6	Students COI (ID: 118102)	4 years	Online	CITI
7	Students IPS (ID: 118094)	1 years	Online	CITI
8	Social Behavioral/Education Research (ID: 118060)	3 years*	Online	CITI
9	Community/Population Research (ID: 118062)	3 years*	Online	CITI
10	Biomedical Research (ID: 118059)	3 years*	Online	CITI
11	Personal Protective Equipment (ID: 118116)	3 years	Online	CITI
12	Initial Biosafety Training (ID: 118104)	3 years*	Online	CITI
13	NIH Recombinant DNA Guidelines (ID: 118112)	3 years	Online	CITI
14	OSHA Bloodborne Pathogens (ID: 118108)	3 years	Online	CITI
15	Hazard Communication and Laboratory Standard	1 years*	In-person	ORSP

*Refresher course required after initial training
